Customized Wallpaper!

Product - Wallpaper | Brand - Glomora, Italy
 Collection - "Multiverse by Karim Rashid"
 Karim's digitalized spiritualism is crystallized in the collection through drawings with visual and illusion effects, where pictures flow from eyes to soul. Geometries play tricks with space and lead to think of illusion, depth and endless motion.

What am I doing here?

Enshrining a vintage and modernism mix in heterogeneous pictures. Glamora Identity collection of wallcoverings are printed using environment friendly, odourless inks on innovative print bases which are designed to be tolerant for usage as well as resistant to wear and tear.

Materials that emit a low level of Volatile Organic Compounds (VOCs) are chosen. www.glamora.it
