THE GLAMOUR QUOTIENT!
**GLAMORA
WALL PAPER!**

With a thickness of 0.4mm, non-woven, vinyl coated digital Glamora wallpapers allow designers to develop unusual and innovative environments to suit your style. Customisation is a key factor as any image can be designed or altered to become your next living room view. All designs can be modified and specifically adapted to a space, harmoniously matching the colours and mood of the interior and its furnishings.
