GLAMORA
Fresh Inspirations

Similar to contemporary bas-reliefs, Fresh Inspirations comprises three-dimensional graphic effects to add texture and tactile emotions to surfaces. Glamora's wallcoverings are interchangeable on different surfaces depending on their use, setting and aesthetic. The collection includes vinyl-coated Glam Décor, metallic architectural surface Glam Metal, sound-absorbing Glam Acoustic, and innovative performance fabric Glamtec. The materials are also fire-resistant and eco-friendly.

LINWOOD
Tango

The latest launch from Linwood sees a new range of prints, weaves, wallpapers and plain velvets for the autumn season. Tango is an expansion on the tropical theme that evokes nature, patterns and handmade crafts, featuring statement botanical and floral prints matched with strong geometric woven patterns. Linwood's fabrics and wallpapers work cohesively with contract upholstery and soft furnishings, featuring a stain resistant finish, high rub test and Crib 5 as standard.

CAMIRA
Individuo

Camira has launched a new hospitality collection featuring fabrics finished in a range of colours, compositions and designs. From plain and semi-plain dobbies, to jacquard weaves and prints, and leather, vinyl and PUs, the series evokes luxury and functionality. At the Sleep event, Camira will showcase Individuo, a tie-dye effect fabric inspired by artisan trends.

CLARKE & CLARKE
Animalia

Clarke & Clarke has collaborated with artist Emma J. Shipley to present a menagerie of coordinating fabrics and wallpapers, incorporating rich velvets, satins and shimmering effects in its latest furnishings collection. Animalia's designs include Tigris, Extinct, and Amazon, depicting dark and dramatic colours that reflect the intensity of the jungle.
